

EXHIBIT VI

Rule 144(k) Seller's Representation Letter

Sterne, Agee & Leach Inc. _____, 20_____
800 Shades Creek Parkway
Suite 700
Birmingham, Al 35209

Gentlemen:

I intend to sell, through _____, _____ shares
of common stock (the "Securities") in _____ (the "Issuer").

The sale will be made in strict compliance with Rule 144, promulgated under the Securities Act of 1933, with
specific reference to paragraph (k).

I hereby represent to, the Issuer, and the Issuer's counsel the following:
(Name of Selling Firm)

1. I am not an affiliate of the issuer and have not been such for the preceding three months.
2. I have been the beneficial owner of the Securities for a period of at least two years.
3. I understand that payment of the proceeds of the sale will not normally be made until the shares are transferred and delivered free of restriction into SALI's name.
4. I understand that the securities, which I am asking you to sell, are not currently negotiable and would not be acceptable to a buyer in connection with an open market sale of those securities by me. The sale of these securities may not be permitted until they have been transferred into a form in which they are negotiable and would be acceptable to a buyer of these securities. Because of this delay, I may not be able to sell the securities at the time of choosing. In addition, the market price for these securities may change substantially between the time that I initially contact you to sell the securities and the time when I am actually able to sell. I assume and accept the risk in this regard.
5. In consideration of your execution of this transaction, I agree to indemnify you and to hold you harmless against any liability, loss or expense (including any legal fees and expenses reasonably incurred by you) arising out of the sale and transfer of these securities including, but not limited to, failure of these securities to transfer promptly, buy-in resulting from liability or deliver shares to the purchasing broker or incorrect statement or information given by me to you concerning this sale.

I acquired the Securities on _____.

I have reviewed the information contained in this letter with specific attention to items 4 and 5 above and attest to the accuracy thereof.

Very truly yours,

X
